Visual Arts | Category Guidelines

VISUAL ARTS include many art forms that are visual in nature. The artist (student submitting entry) is a person who captures their own thoughts & ideas to create a visual piece of art. Whether an entry displays use of formal technique or a simple approach, it will be judged primarily on how well the student uses their artistic vision to portray the theme “**I Belong!**”, originality & creativity.

Accepted forms of visual art include: Architecture (2D/3D), carpentry, ceramics, collages, photographic collages (multiple photos cut/pasted), digital art and graphics (drawings/paintings/illustration), crafts, design, dioramas, drawing, fiberwork, jewelry, kites, metal etching/punch work, mobiles, painting, printmaking, sculpture and wind chimes. *Reproductions or enlargements of other artwork are not accepted.*

Digital technology and/or software can be used to develop, enhance and/or present an entry but may not provide the primary design and/or concept. The resulting work cannot try to establish an association between the student and the trademark/business/material, or influence the purchase/non-purchase of the trademarked good.
- Entries may include portions of existing copyrighted works, such as photographs, magazine or digital media clippings and/or type cut out of a newspaper, as long as those portions of copyrighted works are used to create a completely new & different work of art.
