

Back To School Outfit

“Wahoo!!” cried Abby, hopping up and down on her bed, “it’s almost the first day of fifth grade!!”.

“Yes it is, so do you have everything ready?” asked Abby’s mom. “Yup, I have my perfect pencils, perfect paper, perfect markers, and perfect books. Everything is ready! Well I haven’t picked out my perfect outfit yet.” Abby said.

But today Abby and her mom were going to the mall to buy one!!!! Abby and her friends all agreed that they were all going to wear the same perfect outfit from a magazine, they all even went to the same store! Once Abby got to the store she raced down each aisle and finally she stared in amazement as she saw the same outfit on the magazine. She dashed to grab one and begged her mom to buy it for her.

“Well 65 dollars is pretty expensive but everything else is the same... okay you may have it” she replied. “THANK YOU SO SO SO SO MUCH!!!!!!!!!!!!!!” screamed Abby while hugging her mom as tight as she could!

It is three days until school starts and tomorrow Abby’s best friend Maya is coming to have a sleepover!! Abby wanted to show Maya her new outfit to make sure they match!

The next day, Maya came and Abby asked if she had got her outfit yet. “I went with our other friends before our sleepover. We’re lucky we got it first though, I heard that some other girls are going to do the same, so after they go, it will be all GONE.”

Later that day, they were playing tag and Abby got a pin stuck on her shirt and when she pulled it out the string got loose. Maya had her eyes open like she had seen a ghost but more open when Abby just shrugged and said “No worries I'll just pull it off”. Then Abby yanked the string and made it a whole lot worse. The string was about two feet now but Abby didn't want to embarrass herself so she pretended that she knew what she was doing. She pulled it more until her shirt got really tight.

Maya gasped and said “Abby how are we suppose to match if your shirt is SUPER TIGHT!!!! We have to be the perfect group or else it will be all your fault!! Maybe if you make something out of it, it will be fine.”

“I will not make anything else bad happen AND I will fix it. ”replied Abby calmly she grabbed scissors and right at the time Maya screamed “DON'T!!!!!!!!!!!!!!”

Abby cut the string and a small part of the shirt ripped!!! Everyone in the room froze, then Maya sighed and muttered “I hope you fix that too.” while rolling her eyes. Then a couple hours later everyone forgot about it, except Maya and Abby but they were surprisingly pretending to!!!

Then Abby’s dad said “Dinner Time!!!” and they both were starving and they ran to the table!! On their plates there was spaghetti!!!!!!!!!! They ate and ate until **SPLAT!** Right on Abby's shirt and skirt there were BIG splats of spaghetti sauce, Abby's mom made Abby change while she washed it and Abby was so embarrassed. Then Abby asked her mom if she was done washing it but then Abby’s mom said “I'm so sorry but the stains didn't come off, it's clean though.”

Abby said “Well can I get a new one?” “I don't know, let me see if there's still one left, go get some sleep I'll tell you in the morning” said Abby's mom.

Right when Abby got to her room she saw Maya there with her arms crossed and said “Well what do you have to say?” “What do you mean?” asked Abby.

“You said that nothing else bad will happen and I heard you talking to your mom and you said that you will get a new one but it's too LATE!!! I told you that they will all be sold out so now you are just left with a ruined outfit and you ruined EVERYTHING!!!! You better fix things up because after tomorrow it's school. GOODNIGHT.”

The next day Maya left and Abby begged her mom to go shopping [again] .

Her mom said okay and gave her 15 dollars and Abby said “That's ALL? The other one was 65. There's nothing that will just be 15 dollars!!!”

But Abby's mom said that's all she was going to give her. Abby was right, all of the clothes were more than 15 dollars. She looked all day until she had to go home. It was only an hour until she had to go to sleep.

When Abby got home her sister [Eva] said “Abby look your favorite fashion show is on!”

“Fine.” Abby sighed while she flopped on the couch.

Thirty minutes later... “Hey, that episode was about fixing ruined things with fabric paint, don't you have some new fabric paint?” said Eva. “Yeah...Wait, I have an idea!! Thanks!!!!!!” said Abby.

Abby sprinted to her room and grabbed a sewing kit, her outfit, and paint. She started to patch up her rip. After she patched up her rip, she splattered paint on her outfit! While she was working, she thought

about how things didn't have to be perfect. She then dried her outfit outside and went to sleep.

The next morning she got up early to eat breakfast and get ready and then she hopped on the bus!!!

When she got there, she saw her friends and said "Hi guys, do you like my outfit?" and they screamed "WHAT????? You're not matching us, what about us being perfect!"

"Well I learned it's okay to be imperfect! Sometimes when things don't turn out exactly as you want it to, it can be even more special" she shared!

Her friends all agreed! Everyone said it looked amazing on her and it was a great idea, even Maya! "This is the BEST day ever!!" cried Abby!

THE end
