

Donate items for our Winter Auction

And help to keep arts at Stevenson Elementary

We are collecting auction items and hope you will support students in the Burbank community by donating an item, gift certificate, experience, or any other donation you think is appropriate.

Families for Stevenson funds over 8,000 hours of arts education each year, giving children the chance to develop new skills, express themselves creatively, and most importantly, have fun! Without the support of the Burbank community these programs simply wouldn't happen.

Our Online Winter Auction is our main fundraising event and many businesses and individuals are donating goods and services to help out and I am asking for you to join them.

Each donated item is featured in our online auction brochure along with a prominent mention of each donor. All donations are 100% tax deductible.

Thank you for your time and consideration in helping make our fundraiser a success. If you have any questions, please call or email, or you can find out more on our website.
