### **HOW TO BECOME A CLEARED VOLUNTEER**

If you have not completed a volunteer application yet for this coming school year, please complete the following steps.

1. Go to <https://apps.raptortech.com/Apply/Mjk3OmVuLVVT> and complete the volunteer application.
2. During the application process, upload necessary documents (Driver's License, TB assessment/questionnaire, MPN Volunteer Acknowledgement page).
3. Once your application has been submitted and approved, you will be emailed asking you to bring your Driver's License into the school office to be scanned and receive your volunteer badge.

### **STILL NEED TO COMPLETE YOUR TB QUESTIONNAIRE??**

### **PLEASE REMEMBER:**

**Your TB Test or TB Clearance is valid for 4 years. If you did TB clearance this past year, you don't need to do it again this year – but you DO need to fill out the online application again and upload a copy of your valid TB test results or TB assessment.**

Thank you so much for volunteering! We look forward to working with you!
