# LIFT Enrichment After School Cooking Classes

Stevenson Elementary – Winter 2020

## Winter 2020 - Asian Classics

Kids will learn to cook Asian cuisine in this fun, hands on cooking class. Our Chef Teacher will take kids on a culinary journey through Japan, China, and Thailand as we combine food, culture, and science. Our goal is to teach kids to expand their palates, try new foods, and learn a variety of fast, easy recipes they can make at home.

All recipes are nut-free & have vegetarian options. This session includes: Ramen Noodles, Orange Chicken, Pineapple Fried Rice, and more!

A digital cookbook with all of the recipes from this session will be emailed to all participants the day before the first class so you can recreate the recipes at home!

On the last day of class, parents are invited to our Kid Restaurant, where the parents can see what their kids learned during the session. Get hungry to learn the art of cooking!!
